

Take control with automated procure-to-pay processes

Use Intacct Purchasing to create structured, predefined transaction and approval workflows that **increase purchasing speed, accuracy, and efficiency**. At the same time, the solution's comprehensive suite of dashboards and reporting tools enables you to monitor budget vs. actuals, analyze costs, and **gain visibility into your entire procure-to-pay cycle**. That's purchasing, perfected.

Key benefits

Streamline procurements and payments

Intacct Purchasing automates your organization's unique workflows to streamline purchase requisitions, purchase orders, and approvals. It connects with Intacct Accounts Payable, Cash Management, and Inventory Management—so you enter data only once—and enables you to attach files with drag-and-drop simplicity for easier recordkeeping and instant access to supporting documents.

Improve visibility

Give your purchasing team at-a-glance access to critical, real-time information, so staff can focus on

making the right decisions. Use customizable, role-based dashboards—which appear as soon as you open the application—to quickly check on budget to actuals, competitive quotes, price breaks, and more.

Strengthen purchasing controls

Take control of your entire procure-to-pay process. Intacct Purchasing provides best-practices templates to help ensure everyone complies with your purchasing requirements. Use these templates to create standard workflows and approvals for requisitions, quotes, returns, and more. Better still, you can customize them to suit your organization's unique needs.
